

STEM Innovators in Training Experience

DALLAS

September 26, 2017

9:00 AM - 1:00 PM

Plano Event Center

Ten80 Education is seeking enthusiastic volunteers, who are good with kids, to help out at the **STEM Innovators-in-Training Experience** on **September 26, 2017** at the **Plano Event Center**. The event runs from 8:00 AM to 2:00 PM (students are there from 9 AM – 1 PM). This fun and engaging engineering and enterprise event, designed for high school students and geared towards upperclassmen, allows scholars to channel their inspirations into real academic and emotional success. Visit the link below to learn more about this incredible STEM education event.

Professionals, undergraduate and graduate students needed to assist with our great line-up of workshops including coding, game design, racing, robotics, enterprise, and leadership. **The table below will help you find the right match for your skills and interests.**

Workshop	Appropriate Background	# Desired
CODE	Computer Science (simple breadboard circuits) Coding (with Processing if possible but any interface is ok)	3
RACE	Mechanical Engineering Electrical Engineering Automotive, Racing or RC Hobbyist	2
GAME	Design of almost any kind	2
ENTERPRISE (PITCH)	Marketing or Business or IP experience	2
UAV	Anyone who knows how to fly or better yet, program UAVs	2
LEAD	Leadership roles of any kind; Military, Corporate	1

Volunteers with professional experience donate your time and expertise in support of STEM education. College or University students with demonstrated experience can earn between \$75-\$100 for the day.

If any of that sounds interesting, send **Toni Cerbo** a message at tcerbo@ten80education.com or give her a call at 855-836-8033 x 13.

We look forward to hearing from you!
